24X48 ALL-IN-ONE PREP TABLE

Food Preparation / PreMate Multifunctional Workstation

We put space to work.

PreMate™ qwikSet MultiStation

PreMate is a multifunctional workstation designed around the operator to eliminate space constraints and increase overall productivity. Perform tasks faster and easier in a space saving footprint with our patent pending, multi-level work surface. Tall or short, you can get comfortable and be more productive in seconds with our **qwikSet** easy height adjustment option.

- **Multi-Level:** The PreMate Multi-Rail is design holds a standard 18"x24" cutting board* above standard food/steam table pans to increase work surface capacity by providing an easily accessible level of storage below the work surface. Get an increase in productivity up to 20%** by allowing prepared food to be pushed into pans without the wasted time and motion to pick-up and place into pans. Plus, it reduces the scrap associated with that extra activity.
- **qwikSet Height Adjustment:** Capable of 5 work surface heights (35 1/2" - 39 1/2"). The work station can be quickly adjusted for a variety of employee heights and tasks.
- **Mobile & Stable:** Perform tasks in multiple locations and save time and labor transporting product. Four total-lock casters provide a stable work surface by locking both the caster wheel and the hub for maximum stability.
- **Task Specific:** Configurable to a any task with labor & space saving accessories.
- **Easy to Clean:** Wipe down and disassemble without tools for sanitation.
- **Construction:** Based on Metro Super Erecta® commercial grade shelving systems with 1" shelf adjustability, 800 lbs. shelf load capacity, and unlimited configurations.
- **Space Saving Design:** Available in 18"x24", 18"x30", 18"x36", & 18"x48" sizes to fit in the most space constrained environments.
- **Application Based:** Choose from pre-configured models based on the needs of your application.
Construction options include:
- Solid Stainless Steel Shelves
- Solid Galvanized Steel Shelves
- Brite Zinc Wire Shelves

INSTR-CR3COMP72
72" SMARTWALL DISH TANK UNIT

Dish Area Ideas / MetroMax Drying Rack

We put space to work.

Item # _____

Job _____

MetroMax® i Drying Racks combine the corrosion protection and strength of MetroMax i with the convenience of a drying rack unit that efficiently sorts and holds pots, pans and trays while they dry to prevent wet nesting.

Three Tier Tray Rack with drip tray:

*XDR® models with drip tray: 36" (914mm) an 48" (1219mm) lengths. Mobile. Each consists of (3) MetroMax i shelf frames, (4) 63" (1600mm) mobile posts, (4) corrosion resistant polymer horn casters (two swivel, two brake), (3) tray racks, and (1) adjustable drip tray.

Four Tier Bulk Drying and Tray Rack:

*XDR® models with drip tray: 36" (914mm) an 48" (1219mm) lengths. Mobile. Each consists of (3) MetroMax i shelf frames, (1) MetroMax i shelf, (4) 63" (1600mm) mobile posts, (4) corrosion resistant polymer horn casters (two swivel, two brake), (2) stainless steel drop-in racks, (1) tray rack, and (1) adjustable drip tray.

Basic model: 48" (1219mm) length. Each consists of (2) MetroMax i shelf frames, (2) MetroMax i shelves, (2) stainless steel drop-in racks, (1) tray rack. Mobile model includes (4) 63" (1600mm) mobile posts and (4) corrosion resistant polymer horn casters (two swivel, two brake). Stationary model uses (4) 74" (1880mm) posts with leveling feet.

Four Tier Tray and Steam Pan Rack:

*XDR® models with drip tray: 36" (914mm) an 48" (1219mm) lengths. Mobile. Each consists of (4) MetroMax i shelf frames, (4) 63" (1600mm) mobile posts, (4) corrosion resistant polymer horn casters (two swivel, two brake), (2) tray racks, (2) steam pan racks, (1) adjustable drip tray.

Basic model: 48" (1219mm) length. Each consists of (4) MetroMax i shelves, (2) tray racks, (2) steam pan racks. Mobile model includes (4) 63" (1600mm) mobile posts and (4) corrosion resistant polymer horn casters (two swivel, two brake). Stationary model uses (4) 74" (1880mm) posts with leveling feet.

Key Benefits

- **Promotes food safety** by preventing wet nesting, where two wet/damp items are nested together preventing proper airflow.
- **Superior air circulation:** Fast drying of trays, cutting boards, pans, lids, pots and all sink items.
- **Drip Tray** minimizes wet floors by collecting dripping water and funneling it to a removable full size steam pan.
- **"Hold strong" slots:** Tray and Pan Racks have tall slots to assure trays, cutting boards, steam pans, and other tall items don't tip over.
- **Easy to Move** with swivel polymer casters.
- **Easy to Clean:** Shelf mats, posts and epoxy coated drying racks have built-in Microban antimicrobial product protection. It keeps the product "cleaner between cleanings"
- **Superior Organization:** Optional hanging rails and grids help sort and dry utensils and other vessels with long handles.
- **NSF Listed**

MICROBAN® Inhibits the growth of stain and odor causing bacteria. Microban® does not protect users from food borne illness. Normal cleaning practices should be maintained. Microban is a registered trademark of Microban Products Company.
